Four Inc. Supports the Army's IBM Software Requirements through ITES-SW

With the DoD ESI BPA no longer available, Army customers may find themselves struggling to procure the IBM products necessary to complete their mission.

Four Inc. can provide a seamless transition from the IBM ESI BPA to our ITES-SW Contract. See below on how to execute an IBM software procurement. Contact your sales representative for more information!

Does your product meet requirements for ITES-SW?
Product has completed the Risk Management Framework Certification or has a non-expired Certificate of Networthiness (CON)

YES — **NO** → **Two Options**

Submit a Request for Quote (RFQ)
Go to https://chess.army.mil/Content/Page/RFX_INDEX and create an RFQ by clicking on "RFQ" or "RFx."

Request RMF Certification
To begin the RMF Assessment process, customers with a CAC will be able to access all of the information they need at https://army.deps.mil/NETCOM/sites/RMF/SitePages/Home.aspx

Approved

Request Statement of Non-Availability (SoNA)
To request a SoNA, go to https://chess.army.mil/Content/Page/SONA, scroll down and click "Continue to SoNA."

YES

Request Information Technology Approval System (ITAS) Waiver from Army Chief Information Officer (CIO)/G-6
To request an ITAS Waiver go to https://cprobe.army.mil/enterprise-portal/web/itas/home

YES
